Re: Proposal for Live Streaming, School Films and Campus Security

Dear Sir/Madam,

SOS-HGIC draws IB and IGCSE students from across Ghana and beyond, with most living on campus. That means many parents cannot attend speech day, graduation or sports events in person, and expect real peace of mind about their children's safety. Film Beyond Imagination (FBI) would like to help with both.

School media

- **Live streaming** of graduation, speech day, cultural nights and sports in HD on a private link, so parents and alumni abroad can watch.
- **A recruitment film** showing your classrooms, labs, pool, sports fields and boarding life, for your website, open days and social media.
- **Event photography and highlight videos**, with optional drone footage of the campus.

Campus security

- **CCTV** at gates, hostels, the multi-purpose hall, pool and sports areas, viewable at the security post and by management.
- **Access control** for hostels and staff-only areas, and reliable campus Wi-Fi and networking.

Why FBI

We cover live events across Ghana and install security systems for homes and businesses, so one team handles both. We offer partner rates for schools.

We would welcome a short meeting, and will carry out a free campus site survey and quotation.

Yours faithfully,

Jerbel Mark Addeh
