Re: Partnership Proposal for Impact Films, Live Broadcasts and Campaign Content for Your Programmes

Dear Sir/Madam,

Through the National Spelling Bee Ghana, The Young Debaters Ghana and Épelle-le, Young Educators Foundation gives thousands of young Ghanaians a stage for literacy, language and public speaking. Film Beyond Imagination (FBI) would like to help more parents, schools, sponsors and partners see that impact.

What we offer

- **Live broadcast and streaming** of regional rounds and national finals, multi-camera with graphics, on your channels and on FBI TV, our live channel.
- **Impact films** following students, teachers and schools on their journey, for donors, sponsors and grant reports.
- **Campaign content**: short videos, photography and social media clips to drive school registrations and sponsor visibility.
- **Event photography and highlight films** of every competition.

What the Foundation gains

- Wider reach and visibility for sponsors, which strengthens renewals and new partnerships.
- A lasting library of your work, ready for every report, pitch and anniversary.
- Partner rates for non-profit education programmes.

Why FBI

We produce live broadcasts, documentaries and communication campaigns for organisations including the District Assemblies Common Fund. We would welcome a meeting to plan coverage of your next competition season.

Yours faithfully,

Jerbel Mark Addeh
